WIOSNA - LATO 2026

SS26 COLLECTION

mefemi — kolekcja wiosna-lato 2026

Bycie sobą to najpiękniejszy wybór. Nowa kolekcja mefemi na sezon wiosna-lato 2026 powstała z myślą o kobietach, które cenią autentyczność, wygodę i subtelne piękno. To bielizna, która nie przebiera się za ideał — ale daje Ci przestrzeń, by czuć się sobą w pełni, każdego dnia.

Projektantki, inspirowane lekkością i świeżością wiosennego przebudzenia, sięgnęły po subtelną paletę pudrowych różów i pastelowych tonów symbolizujących harmonię, optymizm i naturalne piękno. Tkaniny są miękkie i przyjazne skórze, zaprojektowane tak, by łączyć estetykę z codziennym komfortem.

Kolekcja składa się z dwóch uzupełniających się linii. **Stonowana** — minimalistyczna, klasyczna, idealna dla kobiet, które wybierają prostotę i elegancję bez zbędnych dodatków. To codzienna baza, która daje pewność siebie i wygodę. **Romantyczna** — zmysłowa i delikatna, z koronkowymi wykończeniami, subtelnymi haftami i pastelowymi akcentami. To propozycja na chwilę, kiedy chcesz poczuć się wyjątkowo i otulić kobietą czułością.

Mefemi to także szeroka rozmiarówka, dzięki której każda kobieta może znaleźć bieliznę dopasowaną do swojej sylwetki i typu oraz wielkości biustu. Biustonosze, majtki i bielizna nocna tworzą kolekcję, która wspiera, a nie ogranicza — pozwala czuć się dobrze we własnej skórze, bez kompromisów i narzuconych ram.

To więcej niż bielizna. To codzienny wybór za byciem sobą.
A tylko **Ty wiesz... jak dobrze jest być sobą.**

mefemi — spring-summer 2026 collection

Being yourself is the most beautiful choice. The new mefemi collection for the spring-summer 2026 season was created for women who value authenticity, comfort and subtle beauty. This is lingerie that does not pretend to be perfect — but gives you the space to feel completely yourself, every day.

Inspired by the lightness and freshness of spring awakening, the designers have reached for a subtle palette of powdery pinks and pastel tones symbolising harmony, optimism and natural beauty. The fabrics are soft and skin-friendly, designed to combine aesthetics with everyday comfort.

The collection consists of two complementary lines. **Subdued/Soft** — minimalist, classic, ideal for women who choose simplicity and elegance without unnecessary accessories. It is an everyday base that gives confidence and comfort. **Romantic** — sensual and delicate, with lace trims, subtle embroidery and pastel accents. It is a proposition for moments when you want to feel special and envelop yourself in feminine tenderness.

Mefemi also offers a wide range of sizes, so that every woman can find underwear that fits her figure, body type and bust size. Bras, knickers and nightwear make up a collection that supports rather than restricts — it allows you to feel good in your own skin, without compromises or imposed constraints.

It's more than just underwear. It's an everyday choice to be yourself.
And only you know... how good it feels to be yourself.
